Again, thanks for agreeing to meet with us. Recognizing that we have a 30 minute window, it is imperative that we limit our topic of discussion so that we don't get into distractions from the questions that NUNA has. Having said that , these are suggested topics of discussion:

1. What is the schedule for the new peer review?
2. Who will peer review?
3. Will there be tribal consultations in the new selection?
4. Will there be public hearings on the new peer review process?
5. What is the timeline?

Thanks Rich, I know that there may not be answers to the questions and that is ok. We want to get a better understanding of the next step in the Watershed Process.

Hello,

The following will be in attendance with you and Dennis on the 16th: Abe Williams, Lisa Reimers, Brad Angasan and Trefon Angasan. As for your offer to meet with the APC, I certainly appreciate that opportunity and would like to take a rain check. Some of our directors will be attending an 8a conference and would not be available. However, I would like to include you in our next meeting. I believe that it will be later in the month of February or early March. See you on the 16th.

Hi Trefon,

Dennis and I are available to meet with you on Jan 16, 2013 from 1:00 to 1:30. If you have particular topics to discuss let me know in case we need to do a little preparation. I will be in Anchorage the week of February 4 and could meet with you or the APC Board if you would like.

Thank you,

Lisa, Abe and I would like to have a meeting with you on the 16th of January at your offices if possible.

I sent an earlier email requesting the meeting and you indicated two options. Since we would not be available in Alaska when you come up, we felt that 16th would be a good time. We anticipate that 30 minutes should suffice. Thanks Rich and Happy Holidays.
